

Classification: Motor Vehicle Inspector (MVI) Supervisor

Title Code: V07803

Pay Range: 22

POSITION SUMMARY: This is responsible supervisory work in directing, monitoring, and coordinating the activities of Motor Vehicle Inspectors. Work also includes auditing and analyzing various records, inspecting vehicles and school buses, and conducting VIN verifications. The MVI Supervisor interacts with the public and station personnel on a daily basis reference all facets of the Motor Vehicle Inspection program. Extensive travel during working hours is required. The employee exercises independent judgment and initiative in the performance of assigned duties; however, general supervision is provided by the immediate supervisor to ensure conformance with established rules, policies, and procedures. An employee in this position may be reassigned or transferred in a Troop at the discretion of the commanding authority.

DESCRIPTION OF DUTIES PERFORMED: (Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

In addition to the duties and responsibilities of a Motor Vehicle Inspector III, the MVI Supervisor may be required to perform the following:

Supervises, trains, schedules, plans, monitors, directs, and evaluates the work of assigned motor vehicle inspectors.

Briefs supervisor reference workload and areas of concern that could become public knowledge and/or involve potential legal ramifications for the department.

Performs a variety of administrative duties (e.g., reviews employee time records and approves/disapproves leave; approves expense reports; handles personnel issues and problems associated with division staff; conducts and attends meetings; serves on committees, as assigned; recommends personnel decisions to supervisor.)

Receives and reviews requests for equipment, materials, and/or training from assigned personnel; requisitions supplies through channels as needed.

Receives input from subordinates and makes policy recommendations to supervisor; assists in the development, implementation, and review of revised policies and procedures.

Testifies in court and at administrative hearings in reference to MVI violations, salvage yard operations, rebuilders rules and regulations, etc.; reviews evidence and prepares testimony prior to court appearance; responds to subpoenas; reviews division staff testimony and provides input, as needed; assists in training subordinates.

Receives and responds to complaints about inspection stations, inspector/mechanics, and department personnel; researches complaints by conducting investigations and station surveillance; preparing reports reference same; takes appropriate corrective action as needed (e.g., serving notice of administrative suspension and revocation to inspection stations and inspector/mechanics, terminating inspection stations, citing inspector/mechanics for retest, issuing written warnings, etc.)

Attends workshops, meetings, conferences, and seminars to gather and share information with peers as well as learn about any new developments and/or trends; serves as an expert in motor vehicle inspection.

Assists in scheduling and conducting the training and testing of inspectors/mechanics.

Keeps abreast of all laws, rules, regulations, and changes in the Motor Vehicle Inspection Program via regular updates (e.g., IOC's, e-mail, procedural manual updates, publications, etc.); explains new or revised department and statutory policies and procedures to motor vehicle inspectors and monitors compliance with same; maintain the MVI regulations manual and operations manual.

Inspects and evaluates inspection stations and mechanics on a regular basis to ensure stations are in compliance with all requirements and inspections are conducted in accordance with established regulations.

Appropriately reports criminal activity (e.g., completes violation reports and/or notifies uniformed member/DDCC personnel, assists DDCC personnel and other law enforcement agencies with MVI and auto theft requests, assist with undercover investigations performed by DDCC, etc.)

Answers inquiries in reference to motor vehicle inspection, title information, VIN, etc., from attorneys, prosecutors, judges, the public, station owners and personnel, etc.; conducts television interviews, when needed.

Inspects equipment (e.g., light meters, compressors, and jacks) to ensure availability and proper working condition; forwards requests for repair or replacement to GHQ.

Inspects/reinspects vehicles and school buses to ensure they are in proper condition, complies with established laws and regulations, and to audit mechanics that performed original inspection. The inspection of vehicles and school buses will include, but is not limited to, checking under, inside, and outside vehicle; climbing a ladder; driving vehicle; checking horn; measuring various parts of vehicles; hoisting up vehicles; removing and reinstalling tire and wheel; checking air pollution device, etc. Conducts school bus inspection workshops.
