

MOTOR VEHICLE INSPECTION JOB FAMILY

CAREER PATH

Motor Vehicle Inspector Chief (Level 2)

A Motor Vehicle Inspector Chief is accountable for assisting the commander in establishing and administering the Motor Vehicle Inspection Program through functional supervision and coordination of field activities, as well as manages a moderate number of resources (typically 5-10 employees). The employee also conducts scheduled and unscheduled inspections to determine if department personnel and inspection station owners and employees are operating within applicable rules, regulations, and procedures. The Motor Vehicle Inspector Chief also serves as a liaison with troop staff, headquarters personnel, and the public. Employee supervision includes hire recommendations, training, planning and assigning work, performance assessment, coaching, and progressive discipline. Supervision at this level also requires these employees to have the knowledge and skills to perform and review the work overseen. The employee in this position exercises considerable independent judgment and discretion, and work is performed under general supervision.

Knowledge, Skills, and Abilities

In addition to those identified in the previous levels within this career path:

Comprehensive working knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of all assigned areas of motor vehicle inspection, as well as the laws, principles, and practices as they are related to implementation within the agency.

Comprehensive working knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of the agency's policies, procedures, rules, and regulations in the performance of duties.

Comprehensive working knowledge of and the ability to demonstrate successful operation and use of designated motor vehicle inspection equipment, parts, tools, supplies, and associated software systems in the performance of duties.

Comprehensive working knowledge of and the ability to demonstrate successful use of computer equipment and associated software/databases in the performance of duties.

Comprehensive working knowledge of and the ability to demonstrate understanding and successful use of the principles and practices of project management techniques in the performance of duties.
